

## Registration New Rochelle School District & Frequently Asked Questions

### Return of After School Care on-site and Remote Learning off-site beginning November 2<sup>nd</sup>

---

We are very excited to be returning to the Davis, Trinity, and Ward elementary schools this year, providing after school care from 3 – 6 PM for the Monday/Tuesday and Thursday/Friday in-school children.

We will continue our full-day remote learning support at our Mascaro Clubhouse in New Rochelle, and at Hampshire Country Club in Mamaroneck.

**Please note: There are two separate fact sheets one each for Team A and Team B providing pricing and dates. You only need to review the sheet for your child's group.**

**It is very important you register your child with their Team, we are following the school district's model of supporting children in each group separately.**

- NOTE: We have labeled registrations as either Team A or Team B with their in-school name or off-site location. [We have separate enrollment for Kindergarten to ensure proper staffing.](#)
- Unlike previous years, you do not need to commit for the full year at this time. Registration is split by month, to allow more flexibility, and we are registering for November and December. You can enroll in one or both months.
- We will add rolling enrollment for coming months, and if you are currently enrolled you will have a pre-registration option. If you do not currently need our services, you do not need to register at this time, but let Virginia know your return date, and while we cannot guarantee a space, we will do our best to accommodate you.
- Our in-school program assumes children will attend 2 days per week. Full day remote assumes they will attend the 2 days they are home and alternating Wednesdays to keep each Team separate. Children can only attend on days for their team. [If available, we will open "drop-in" dates for any remaining spaces.](#)

We are using a new registration system, Connect by Care.com, any credits you may have had from the prior school year should be available at registration. When possible, we offer a deposit and payment plan option. If your child begins with us, and it is not the right fit, just reach out to us to cancel your remaining enrollment.

## FREQUENTLY ASKED QUESTIONS

### What are your programs?

Our programming will use Boys & Girls Club of America Age-Appropriate Curriculum including Triple Play: Mind, Body and Soul, Healthy Habits, STEM, Arts & Crafts, Power Hour/Reading Time as well as the MyFuture platform.

We will adapt to the needs of our students. We are planning on doing a lot of social emotional learning, as we know that these past months have been hard for our members.

### Masks/Social Distancing?

Members and Staff are required to wear masks at all times unless they are eating lunch/snack or outside and more than 6 feet apart. Our Staff will work with groups of 10 children or less, safely distanced.

### Staffing?

At each site we have a Director, an Assistant Director (AD) and Youth Development Professionals (YDP). Our YDP's will be responsible for monitoring their "pod" or group of 10 children and provide learning assistance and activities. Our Directors and AD's will be responsible for overseeing the YDP's, program development & the overall safe running of their program.

### Cleaning/Child Safety?

BGCNR will be cleaning regularly: before, during and after our programming. We have one staff member at each site who will be dedicated to cleaning/disinfecting materials and/or commonly touched areas. We will be asking parents to bring in their child's own materials so that they are not sharing materials with others. This will be sent out within the first week of the program. The materials that they do share (these will be limited) will be disinfected prior and after use.

### Before Care and Extended Pick-up after 6:00 PM?

We realize our programs do not meet every family's needs. We are adapting to meet as many options as possible. As the school year progresses, we may be able to provide these services.

### What is Remote Full-day support?

When your child is home from school, we can provide remote learning support at either our Mascaro Clubhouse from 8:00 AM to 3:15 AM, with limited spots for extended care until 6:00 PM; or at our new location at the Hampshire Country Club on Cove Road, Mamaroneck from 7:00 AM to 3:30 PM, with extended care until 5:00 PM.

## FREQUENTLY ASKED QUESTIONS

Will you support remote learning, do they need to bring their own laptop/iPad? Will they have Wi-Fi Access?

Yes, our full day program is prepared to assist children with on-line activities offered by the district. Each child should bring their laptop or iPad, class schedule and log-in information. They will have access to a Wi-Fi network. We will also provide help with school assignments and opportunity for independent reading, and other activities.

Lunch/Snacks?

We will not provide snacks at any school site, so please send in a light snack and beverage for the afternoon.

At our Hampshire sites, you will need to provide lunch and snacks for your child.

At Mascaro, we can provide breakfast and lunch for your child during full-day remote, a menu will be provided each week for review, and you may also send in lunch, snacks, and a beverage.

Program Closures?

Closure last year was very difficult to manage with our small support staff and is one of the reasons we have limited current enrollment until December, and why we will gradually open months as the year progresses.

We will provide credits for any cancelled dates due to school or program closure; and will refund as needed. We cannot refund past unused days or dates missed due to absence. If your plans have changed, please reach out and we can adjust future enrollment.

Operating in this environment is new for all of us, please take assurance that we want what is best for your child. We have learned a lot since this year began, and we are focused on providing a safe and enriching experience for your child.

Directors will send more detailed instructions, before start of programming.
