## **The City School District of New Rochelle Board of Education Elects Officers, Swears in New Members**

**NEW ROCHELLE, N.Y. (July 13, 2022)** – The City School District of New Rochelle (CSDNR) Board of Education elected new officers at its annual reorganizational meeting on July 7. The Board unanimously elected William Iannuzzi President and Adina Berrios Brooks Vice President for the 2022-2023 school year. Iannuzzi was elected to a five-year term on the Board of Education in 2019 and served as Vice President for the 2020-2021 school year, Chair of the Superintendent Search Citizens Advisory Committee in 2021, Chair of the New Board Member Orientation Committee, and Co-Chair of the Policy Committee.

Iannuzzi is the Director of Clubhouses and Secondary School Programming at the Boys and Girls Club of New Rochelle, where he has been employed for 11 years, and where he was a club member throughout his childhood. He completed his primary and secondary education in the City School District of New Rochelle and earned a bachelor's degree in Public Accounting from Mercy College.

As Board of Education President, Iannuzzi said his focus will be to bring student voice to school district decision making.

"I will strive to ensure that our mission is to serve the students and create a world-class school district for them. I am truly optimistic about what can be accomplished this year. I look forward to working with the Superintendent, School District administration, and Board of Education to focus on data, decreasing gaps, and increasing the graduation rate. We have faced so much turbulence and so many challenges over the past several years; the focus is now on stability and getting the work done," Iannuzzi said.

Vice President Berrios Brooks was elected to the Board of Education in 2020 and served as Vice President during the 2021-2022 school year.

Sworn into terms on the board commencing on July 1, 2022, and ending on June 30, 2027, were Adam Cooper and David Peters, who were elected in May. Cooper has previously served on the Board of Education and Peters was newly elected.

**About the City School District of New Rochelle**

With more than 10,000 students in ten schools, the City School District of New Rochelle, through an active partnership amongst community, parents, staff, and students, provides a high-quality and challenging education for every child, in a safe, nurturing environment that embraces rich diversity and drives success.
