

# 2022 Chatsworth Fall After-School Electives Program

## **Jewelry & Beading "Professional Style" workshop by Beadz**

**Monday | Grades K-5 | \$275**

In this engaging, creative, and hands-on class, students construct beautiful and high-quality beaded jewelry & accessories.

Everyone will work on a bead design board and choose from a beautiful and high-quality selection of beads (crystals, sea glass, ceramics, artistic wire and more). Each week will feature new projects and fun techniques including necklaces, bracelets, rings, hair accessories, keychains, bookmarks, and many other fun items. Min 8/ Max 15

## **STEM Superheroes by STEM Alliance**

**Monday | Grades 3-5 | \$252**

Tinker like Tony Stark and learn about the historic inventors and innovators who used science, engineering, and math to solve real-world problems. Through the concepts learned from historic figures and the impact they made, we will use STEM challenges to assist some familiar friendly neighborhood heroes and help them save the world with STEM! Min 10/Max 12

## **Crazy Chemworks by Mad Science**

**Monday | Grades K-2 | \$200**

**Friday | Grades 3-5 | \$200**

Come and spark imaginative learning with a semester of Mad chemistry. Watch as we combine elements and make them fizz, crackle and change color! We'll delve into molecules and chemical reactions that produce light, gas and even slime! Some of the classes included in the sequence will be: Slime Time, The Mystery of Chem, The Glow Show, pH Phactor, Jr. Reactors, Super Sticky Stuff and more! Min 12/ Max 12

## **Fun with Mixed Arts by Plaster Palace**

**Monday | Grades 1-5 | \$270**

Enjoy creating mosaic picture frame, pottery painting: mugs, plates, piggy banks, making slime, painting on the canvas and mosaic super fun class to use creativity and to make unique keepsakes like plate with own handprint. Min 7/ Max 14

## **Discovering STEM by STEM ALLIANCE**

**Tuesday | Grades K-2 | \$252**

Hands-on, project-based challenges designed to tap into critical thinking skills with an emphasis on innovation and creativity. Our programs mix all the elements of STEM to encourage problem-solving skills while developing team building strategies. The key objective is to introduce basic concepts of STEM while having the opportunity to fail and try again in a safe environment. Min 10/ Max 12

## **Guitar for Beginners by The Music Path Co.**

**Tuesday | Grades 3-5 | \$204**

Learn the basics and foundations of playing the guitar.

Technique, scales, chords, melodies, and songs will all be covered. We promise to teach you as many real songs as possible!

This class is a great introduction for students who might then proceed to a private teacher. We will get your hands picking, strumming, and fretting. Electric or acoustic guitar is ok (no amplifier required).

Materials: Bring in a guitar you already own, or we recommend First Act guitars online as an inexpensive solution (starting around \$40). Min 5/Max 12

## **Ceramics and Glass by Slavin Studios**

**Tuesday | Grades K-5 | \$240**

A fun and hands on introduction to art and design. On the days we do ceramics, students will shape clay into sculpture and functional items. They will use basic hand tools and even paint the clay with non-toxic clay based colored paints. These are taken back to the studio, fired, and glazed in a kiln to a shiny food safe finish! Project ideas are almost unlimited, so many wonderful things to make. Sculpture, cups, bowls, coil pots, slab working etc. The days we do Glass fusing, students take precut pieces of clear and colored glass to create art. They assemble and glue in place the glass design. Which gets taken back to the studio to be fused together in a kiln. Its colorful and works with shapes and design. Teacher can cut certain shapes as needed. Pendants, sun catchers, ornaments, jewelry, magnets, tiles even a small dish are some of the projects. Self-hardening clay can also be used as a sculpting medium that we can paint with acrylics. Fun, creative and immediate. Students will get back artwork throughout the program as their work undergoes its transformation to finished artwork. Get ready to be very happy with this afterschool program!!! Min 10/Max 25

## **Mandarin by ABC Languages**

**Tuesday | Grades K-2 | \$285**

Nǐ hǎo ma! That's Mandarin for "Hi! How are you?" Learn this and other useful phrases in this new interactive after school club for kids who have never learned Mandarin before. In our class your child will learn short sentences and daily vocabulary such as greetings, introductions, colors, numbers and food through songs, movement and interactive games. The class will also focus on getting your child started on Pinyin and basic strokes of the Chinese characters in addition to learning about the fun aspects of the Chinese culture and traditions. Min 5/Max 8

**Register from Sept. 28<sup>th</sup>- Oct. 6<sup>th</sup>**

# 2022 Chatsworth Fall After-School Electives Program

## **Architectural Building by An Inspired Empty Vessel**

**Wednesday | Grades 3-5 | \$144**

Children learn the fundamental principles of architecture; that of tension and compression, while simulating those principles in two models. The Teepee is literally stretched around its supporting poles which are staked into the "ground" to demonstrate tension. The Skyscraper gives the understanding of pylons in modern construction and affords games and laughter as we play with different designs of height, spiral, and "earthquake-proofness".  
Min 12/Max 12

## **Art of DJ'n by The Music Team**

**Wednesday | Grades 2-5 | \$300**

The Music Team was created to encourage individuals to express themselves musically using modern digital technology and equipment. In this program, each student will learn the Art of the DJ. All laptops, hardware and software are provided for each individual. We promote the importance of individual growth, creativity, as well as peer collaboration. Our mission is to have a positive impact on the lives of the youth in each community that we serve. While encouraging creative expression, we also aim to promote each individual to maximize their potential in whatever it is they put their minds to. Min 10/Max 10

## **Black & White Ink Design by Arts Alive**

**Wednesday | Grades 1-5 | \$165**

These incredible pieces of Artwork are created with the absent of color! It's a design and drawings of animals, people, hands, faces, nature, etc. in a Mandela style. Come and join this incredible course to express yourself and create magnificent Art Works in the absence of colors! Min 5/Max 15

## **BUILD4LIFE by Build4Life**

**Wednesday | Grades K-2 | \$315**  
**Friday | Grades 3-5 | \$315**

Build4life is a tailored social development program that works with all kids to build confidence, encourage healthy self-esteem and promote wellness. Min 8/Max 20

## **MusicStart Keyboarding by The Music Path Co.**

**Thursday | Grades K-3 | \$204**

MusicStart® is a patented progressive music learning system that balances fun and development of skills. Using familiar songs, it teaches all the necessary basics to get started playing music. The MusicStart® Keyboard uses 4 instructive Attachments that vary the challenge from color matching to letter matching to note matching and reading standard musical notation. MusicStart® is preparation for (or a supplement to) playing any instrument and teaches step-by-step problem solving. All materials are provided. Both new and repeat students are welcome and will be appropriately challenged. Min 5/Max 15

## **MATHICO by Mathico**

**Thursday | Grades 3-5 | \$180**  
**Friday | Grades K-2 | \$180**

Learn Math in a fun and relaxed setting. Math Club is taught by a NYS certified teacher. Min 4/Max 8

## **Yoga for Tots to Teens by Fit & Focused**

**Thursday | Grades K-5 | \$285**

The club is for kids to learn yoga and mindfulness in a playful environment. Yoga poses are learned, games are played, and music is used to promote both laughter and stillness. Yoga has multiple benefits for kids including improved focus and concentration, an increase in self-esteem and self-regulation, improved core strength and flexibility and an overall sense of calm and peacefulness. Min 10/Max 14

## **Musical Theater by Artistree Performing Arts**

**Thursday | Grades K-2 | \$240**

Introduce your child to the magic of Broadway through Artistree's Musical Theater class! Each week, your child will get to take part in improvisational acting games that help develop their imagination, creativity, articulation, and performance skills. Students then move to the vocal portion of class where they will learn two contrasting musical theater songs while being taught the basics of singing and rhythmic technique. Finally, they will then put it all together with the choreography. At the end of the semester, the class will perform in an open house on the last day of class for family and friends. Everyone's a star in Artistree's Musical Theater class! Min 6/Max 13

## **Llama Drama By Sew Happy Sewing, Inc.**

**Fridays | Grades 1-5 | \$240**

"Llama Drama" is a hand sewing project which includes a llama stuffie with accessories (a blanket, legwarmers, hat and scarf!), a mug-rug and keychain. Students will learn how to thread a needle, tie a knot, make a lock stitch and the stitches used will be a straight stitch and a whip stitch. There will be cutting, pinning, matching pieces and stuffing, all of which improve fine motor skills and coordination. Min 8/Max 8
