

2022 Davis Fall After-School Electives Program

BUILD4LIFE **by Build4Life**

Monday | Grades 3-5 | \$315

Tuesday | Grades K-2 | \$315

Build4Life is a tailored social development program that works with all kids to build confidence, encourage healthy self-esteem and promote wellness. Min 8/Max 30

Art of DJ'n **by The Music Team**

Monday | Grades 2-5 | \$300

The Music Team was created to encourage individuals to express themselves musically using modern digital technology and equipment. In this program, each student will learn the Art of the DJ. All laptops, hardware and software are provided for each individual. We promote the importance of individual growth, creativity, as well as peer collaboration. Our mission is to have a positive impact on the lives of the youth in each community that we serve. While encouraging creative expression, we also aim to promote each individual to maximize their potential in whatever it is they put their minds to. Min 10/Max 10

Yoga for Tots to Teens **by Fit & Focused**

Monday | Grades K-5 | \$285

The club is for kids to learn yoga and mindfulness in a playful environment. Yoga poses are learned, games are played, and music is used to promote both laughter and stillness. Yoga has multiple benefits for kids including improved focus and concentration, an increase in self-esteem and self-regulation, improved core strength and flexibility and an overall sense of calm and peacefulness. Min 10/Max 14

Crazy Chemworks **by Mad Science**

Monday | Grades K-2 | \$200

Friday | Grades 3-5 | \$200

Come and spark imaginative learning with a semester of Mad chemistry. Watch as we combine elements and make them fizz, crackle and change color! We'll delve into molecules and chemical reactions that produce light, gas and even slime! Some of the classes included in the sequence will be: Slime Time, The Mystery of Chem, The Glow Show, pH Phactor, Jr. Reactors, Super Sticky Stuff and more! Min 12/ Max 12

MusicStart Keyboarding **by The Music Path Co.**

Tuesday | Grades K-3 | \$157

MusicStart® is a patented progressive music learning system that balances fun and development of skills. Using familiar songs, it teaches all the necessary basics to get started playing music. The MusicStart® Keyboard uses 4 instructive Attachments that vary the challenge from color matching to letter matching to note matching and reading standard musical notation. MusicStart® is preparation for (or a supplement to) playing any instrument and teaches step-by-step problem solving. All materials are provided. Both new and repeat students are welcome and will be appropriately challenged. Min 5/Max 15

2022 Davis Fall After-School Electives Program

Nature Play Makers by Kate Richardson

Thursday | Grades K-2 | \$288

At Nature Play Makers each week is an adventure into our imaginations. During our time together we explore nature outside, or bring it into the classroom, so that we can investigate, create, and observe. We learn all about the elements of nature and our relationship to them. Games, make-believe, epic adventures, and lots and lots of fun. Are you ready to be a playmaker? Let the games begin!" What is our goal? Advancing our children's confidence, mood, creativity, and overall well-being. How do we do it? By having the most fun possible! Min 8/ Max 16

Jazz/Hip-Hop Dance by Lara Cappiello

Thursday | Grades 2-5 | \$240

Learning to coordinate your body to the rhythm of the music. You will learn syncopated movements as well as street style dance. Each week we will begin with a warm up followed by practicing basic steps. I will teach and choreograph a short combination that we will build on each week. By the end of the program the students will perform this on stage for their parents. Min 6/Max 12

Discovering STEM by STEM ALLIANCE

Friday | Grades K-2 | \$252

Hands-on, project-based challenges designed to tap into critical thinking skills with an emphasis on innovation and creativity. Our programs mix all the elements of STEM to encourage problem-solving skills while developing team building strategies. The key objective is to introduce basic concepts of STEM while having the opportunity to fail and try again in a safe environment. Min 10/ Max 12

Ceramics and Glass by Slavin Studios

Friday | Grades K-5 | \$240

A fun and hands on introduction to art and design. On the days we do ceramics, students will shape clay into sculpture and functional items. They will use basic hand tools and even paint the clay with non-toxic clay based colored paints. These are taken back to the studio, fired, and glazed in a kiln to a shiny food safe finish! Project ideas are almost unlimited, so many wonderful things to make. Sculpture, cups, bowls, coil pots, slab working etc. The days we do Glass fusing, students take precut pieces of clear and colored glass to create art. They assemble and glue in place the glass design. Which gets taken back to the studio to be fused together in a kiln. Its colorful and works with shapes and design. Teacher can cut certain shapes as needed. Pendants, sun catchers, ornaments, jewelry, magnets, tiles even a small dish are some of the projects. Self-hardening clay can also be used as a sculpting medium that we can paint with acrylics. Fun, creative and immediate. Students will get back artwork throughout the program as their work undergoes its transformation to finished artwork. Get ready to be very happy with this afterschool program!!! Min 10/Max 25

Crazy Chemworks by Mad Science

Friday | Grades 3-5 | \$200

Come and spark imaginative learning with a semester of Mad chemistry. Watch as we combine elements and make them fizz, crackle and change color! We'll delve into molecules and chemical reactions that produce light, gas and even slime! Some of the classes included in the sequence will be: Slime Time, The Mystery of Chem, The Glow Show, pH Phactor, Jr. Reactors, Super Sticky Stuff and more! Min 12/ Max 12

Zumba Kids by Gigi Longo

Friday | Grades K-5 | \$144

Perfect for our younger Zumba Fans! Kids get the chance to be active and jam out to their favorite music. Classes feature kid-friendly routines based on original Zumba Choreography. We break down the steps, add games and activities into the class structure. Helps develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun. Classes incorporate key childhood development elements like leadership, respect, team work, confidence, self-esteem, memory, creativity, coordination and cultural awareness. Min 8/Max 20
