

2022 MAS Fall After-School Electives Program

Spanish by ABC Languages

Monday | Grades K-2 | \$285

¡Hola! ¿Cómo estás? That's Spanish for Hi! How are you? Learn this and other useful phrases in this new interactive after school club for kids who have never learned Spanish before. In our class your child will learn short sentences and daily vocabulary such as greetings, introductions, colors, numbers and food through songs, movement and interactive games. The class will also focus on getting your child started on reading and writing Spanish words and simple short sentences in addition to learning about the fun aspects of the culture and traditions of Spanish speaking countries. Min 5/Max 8

Mandarin by ABC Languages

Monday | Grades K-2 | \$285

Nǐ hǎo ma! That's Mandarin for "Hi! How are you?" Learn this and other useful phrases in this new interactive after school club for kids who have never learned Mandarin before. In our class your child will learn short sentences and daily vocabulary such as greetings, introductions, colors, numbers and food through songs, movement and interactive games. The class will also focus on getting your child started on Pinyin and basic strokes of the Chinese characters in addition to learning about the fun aspects of the Chinese culture and traditions. Min 5/Max 8

STEM Superheroes by STEM Alliance

Monday | Grades 3-5 | \$252

Tinker like Tony Stark and learn about the historic inventors and innovators who used science, engineering, and math to solve real-world problems. Through the concepts learned from historic figures and the impact they made, we will use STEM challenges to assist some familiar friendly neighborhood heroes and help them save the world with STEM! Min 10/Max 12

Dimensional Drawing & Painting by Arts Alive

Monday | Grades 1-5 | \$165 (Offered in Spanish)

Thursday | Grades 1-5 | \$165 (Offered in English)

It's a fantastic experience when you create a painting that actually "Pops" out of the page. Something like the famous artist, Risso and Fazzino. We will draw, paint, trace and design your own Cityscape, Secret Garden, Jungle, Forest, Space Scene, or your own aquarium. During the creation of this masterpiece you will use, pencils, paints, markers, scissors, tracing paper, glitter glue, sharpie markers and rhinestones. Come and join us creating this unique 3D painting! Min 5/Max 15

Discovering STEM by STEM ALLIANCE

Tuesday | Grades K-2 | \$252

Hands-on, project-based challenges designed to tap into critical thinking skills with an emphasis on innovation and creativity. Our programs mix all the elements of STEM to encourage problem-solving skills while developing team building strategies. The key objective is to introduce basic concepts of STEM while having the opportunity to fail and try again in a safe environment. Min 10/ Max 12

MATHICO by Mathico

Tuesday | Grades K-2 | \$180

Friday | Grades 3-5 | \$180

Learn Math in a fun and relaxed setting. Math Club is taught by a NYS certified teacher. Min 4/Max 8

Lights, camera, action! by LMC Media

Tuesday | Grades 3-5 | \$285

The class that puts the power of making video content into the hands of young students. This class begins with a basic overview of production, and dives deep with multi-camera, shoots, acting lessons, development of news programs, and fictional stories. At the end of the program students will have knowledge of key production terms and exhibit a level of comfort in camera operation that will empower them to create fun videos with friends, and, and even document family moments at home. If your child has a creative spirit or a knack for center stage, this is the class for them! Min 8/Max 12

MusicStart Keyboarding by The Music Path Co.

Wednesday | Grades K-3 | \$204

MusicStart® is a patented progressive music learning system that balances fun and development of skills. Using familiar songs, it teaches all the necessary basics to get started playing music. The MusicStart® Keyboard uses 4 instructive Attachments that vary the challenge from color matching to letter matching to note matching and reading standard musical notation. MusicStart® is preparation for (or a supplement to) playing any instrument and teaches step-by-step problem solving. All materials are provided. Both new and repeat students are welcome and will be appropriately challenged. Min 5/Max 15

Yoga for Tots to Teens by Fit & Focused

Wednesday | Grades K-5 | \$285

The club is for kids to learn yoga and mindfulness in a playful environment. Yoga poses are learned, games are played, and music is used to promote both laughter and stillness. Yoga has multiple benefits for kids including improved focus and concentration, an increase in self-esteem and self-regulation, improved core strength and flexibility and an overall sense of calm and peacefulness. Min 10/Max 14

2022 MAS Fall After-School Electives Program

Ceramics and Glass by Slavin Studios

Wednesday | Grades K-5 | \$240

A fun and hands on introduction to art and design. On the days we do ceramics, students will shape clay into sculpture and functional items. They will use basic hand tools and even paint the clay with non-toxic clay based colored paints. These are taken back to the studio, fired, and glazed in a kiln to a shiny food safe finish! Project ideas are almost unlimited, so many wonderful things to make. Sculpture, cups, bowls, coil pots, slab working etc. The days we do Glass fusing, students take precut pieces of clear and colored glass to create art. They assemble and glue in place the glass design. Which gets taken back to the studio to be fused together in a kiln. Its colorful and works with shapes and design. Teacher can cut certain shapes as needed. Pendants, sun catchers, ornaments, jewelry, magnets, tiles even a small dish are some of the projects. Self-hardening clay can also be used as a sculpting medium that we can paint with acrylics. Fun, creative and immediate. Students will get back artwork throughout the program as their work undergoes its transformation to finished artwork. Get ready to be very happy with this afterschool program!!! Min 10/Max 25

BUILD4LIFE by Build4Life

Wednesday | Grades K-2 | \$315

Thursday | Grades 3-5 | \$315

Build4life is a tailored social development program that works with all kids to build confidence, encourage healthy self- esteem and promote wellness. Min 8/Max 30

Art of DJ'n by The Music Team

Thursday | Grades 2-5 | \$300

The Music Team was created to encourage individuals to express themselves musically using modern digital technology and equipment. In this program, each student will learn the Art of the DJ. All laptops, hardware and software are provided for each individual. We promote the importance of individual growth, creativity, as well as peer collaboration. Our mission is to have a positive impact on the lives of the youth in each community that we serve. While encouraging creative expression, we also aim to promote each individual to maximize their potential in whatever it is they put their minds to. Min 10/Max 10

Paleontology 101 by Stepping Stones

Thursday | Grades K-2 | \$260

Dig in and become junior paleontologists as we explore our past on planet Earth. Explore shifting continents, giant bugs, fossils, and a 150-million-year reign of the biggest animals to have ever roamed the Earth, dinosaurs! Discover the adaptations that helped these animals survive and make connections between the animals of the past and present to understand how life evolves. Min 10/Max 12

Guitar for Beginners by The Music Path Co.

Friday | Grades 3-5 | \$204

Learn the basics and foundations of playing the guitar. Technique, scales, chords, melodies, and songs will all be covered. We promise to teach you as many real songs as possible! This class is a great introduction for students who might then proceed to a private teacher. We will get your hands picking, strumming, and fretting. Electric or acoustic guitar is ok (no amplifier required).

Materials: Bring in a guitar you already own, or we recommend First Act guitars online as an inexpensive solution (starting around \$40). Min 5/Max 12

Fun with Mixed Arts by Plaster Palace

Friday | Grades 1-5 | \$270

Enjoy creating mosaic picture frame, pottery painting: mugs, plates, piggy banks, making slime, painting on the canvas and mosaic super fun class to use creativity and to make unique keepsakes like plate with own handprint. Min 7/ Max 14

Crazy Chemworks by Mad Science

Friday | Grades K-2 | \$200

Come and spark imaginative learning with a semester of Mad chemistry. Watch as we combine elements and make them fizz, crackle and change color! We'll delve into molecules and chemical reactions that produce light, gas and even slime! Some of the classes included in the sequence will be: Slime Time, The Mystery of Chem, The Glow Show, pH Phactor, Jr. Reactors, Super Sticky Stuff and more! Min 12/ Max 12
