

**BOYS & GIRLS CLUB
OF NEW ROCHELLE**

Dear Families,

Boys & Girls Clubs of New Rochelle has a new membership database called MyClubHub that we will be using for registrations for Summer Camp! See the instructions below for registration.

How does this impact you?

- Updating your child's information like emergency contacts or medical needs every year will be easy and can be done from any phone or computer.
- You'll be able to see or update your child's current information at any time.
- You can sign up more than one child for memberships or programs at a time without having to input the family information multiple times.
- From your account, you can see if your child is at the Boys & Girls Club in real time.
- Improved communication from the Club by text and email.

Set up your Parent Portal Account

- Visit <https://bgcnewrochelle.my.site.com/V2/s/login-home>
- Select "Create Account"
- Enter your parent/guardian information first (not your child's). **Use the same name and email that is used from the Active Account if you have one.**
- Click "Submit"
- An email will be sent to the email address entered. Follow the link in that email to set up your account password.
- Return to the Parent Portal and login using your email and your new password.
- Confirm that your children's information and any other information in your household is accurate.
- If you see any errors, please contact Mary Rivera at mrivera@bgcncr.org
