

From the CEO

As summer comes to a close and a new school year begins, I'm proud to reflect on the opportunities our Club has created for young people, families and the New Rochelle community.

Becky Mazzanobile

We're thrilled to welcome [Huguenot Academy](#) students and staff to the Remington Clubhouse, bringing academics, mentorship and career development together under one roof.

This summer, we launched the Meals on Main Street Mobile Cafe, providing approximately 200 community members with free meals, fresh groceries and resources. Our five Career Pathway Programs also gave young people hands-on experience, mentorship and opportunities to explore future careers.

We celebrated the end of summer camp with a special carnival, and thanks to AutoNation Associates, our members are heading back to school with more than 420 donated school supplies.

Next, we're looking forward to our Youth Justice Forum, where young people can share their voices, exchange ideas and discuss issues that impact their future. [Click here](#) to learn more and get involved.

Thank you to our families, staff, partners and supporters for making these opportunities possible. Together, we're helping young people build the skills, confidence and connections they need to thrive.

Becky Mazzanobile

Mobile Cafe Brings Fresh Food to New Rochelle Families

A new partnership is bringing fresh, nutritious food directly to New Rochelle families. Boys & Girls Club of New Rochelle joined [Meals on Main Street](#) and the [Junior League of Westchester on the Sound](#) to launch the Meals on Main Street Mobile Cafe at the Club's Remington Clubhouse, serving over 200 free meals to community members at its inaugural event.

Families enjoyed free, ready-to-eat meals including spinach gnocchi, grilled cheese sandwiches and street tacos, while a mobile grocery market offered fresh produce and pantry staples to take home. Volunteers were on hand to help families select groceries and connect with community resources.

"The Boys & Girls Club of New Rochelle is committed to

supporting the whole family, and ensuring access to healthy, nutritious food is an important part of that mission," said CEO Becky Mazzanobile.

The Remington Clubhouse was selected as the Mobile Cafe's first location because of the Club's

deep roots in New Rochelle and longstanding partnership with the Junior League. The successful launch marks an exciting step in expanding access to essential resources and creating new ways to support children, families and the broader community.

Save the Date: Youth Leadership & Policy Forum

Boys & Girls Club of New Rochelle will bring young people between the ages of 16-24 from across Westchester together for its Youth Leadership & Policy Forum on Saturday, October 24.

Participants will connect with other young leaders, tackle issues that matter to them and turn their ideas into real policy recommendations to share with local, county and state elected officials and community

leaders. From mental health and education to AI, career opportunities, community safety and more, youth will have the chance to speak up about the issues shaping their lives and their futures.

The forum will take place from 10 a.m. to 5 p.m. at the Remington Clubhouse, 1 Remington Place in New Rochelle. Save the date and [click here to register](#).

BOYS & GIRLS CLUB OF NEW ROCHELLE
YOUTH AT THE CENTER.
YOUTH LEADERSHIP & POLICY FORUM
Your Voice. Your Policy. Our Future.

THIS IS YOUR TIME. YOUR VOICE MATTERS.
At the Youth Leadership & Policy Forum, youth from across and beyond will come together to share their ideas, voices, and lead. You will work alongside other young leaders to identify the issues that impact your life, brainstorm solutions, and develop policy recommendations to present to elected officials and community leaders.

YOUTH IDEAS. YOUTH SOLUTIONS. REAL CHANGE.
Your recommendations will be shared with local, county, and state leaders who can help turn your ideas into action.

YOUTH WILL LEAD. WE WILL FOLLOW. TOGETHER WE WILL ACT.

WHAT YOU WILL DO

- BE HEARD** Share your experiences and perspectives to the world. Your voice matters.
- WORK TOGETHER** Collaborate with other youth to brainstorm ideas and develop solutions to real-world issues.
- DEVELOP POLICY RECOMMENDATIONS** Turn your ideas into real, actionable recommendations to share with elected officials and community leaders who will help make change happen.
- PRESENT TO LEADERS** Share your recommendations with elected officials and community leaders who will help make change happen.
- BE THE CHANGE** Inspire others by sharing your ideas and leading by example. That's how a better future is built.

YOUR VOICE CAN SHAPE PUBLIC POLICY.
We will be looking for your voice and leadership to help shape the future of our community. Register today!

YOUTH POLICY AREAS
Youth will identify priorities, develop ideas and create policy recommendations in areas such as:

- MENTAL HEALTH & WELL-BEING**
- EDUCATION & CAREER OPPORTUNITIES**
- COMMUNITY SAFETY**
- ENVIRONMENTAL SUSTAINABILITY**
- FINANCIAL LITERACY & ECONOMIC OPPORTUNITY**
- TECHNOLOGY & INNOVATION**
- ARTS & CULTURE**
- SPORTS & RECREATION**
- HOUSING & AFFORDABILITY**
- TRANSPORTATION**
- HEALTHY LIVING & NUTRITION**
- COMMUNITY ENGAGEMENT**

BE A LEADER. MAKE AN IMPACT.

GREAT FUTURES START HERE

Career Pathway Programs Connect Club Members with Real-World Opportunities

This summer, Boys & Girls Club of New Rochelle offered five 10-week Career Pathway Programs, funded by the Mariano Rivera Public Foundation, giving young people hands-on experience, mentorship and direct exposure to careers in culinary arts, firefighting, law enforcement, legal services and emergency medical services.

The Culinary Career Pathway celebrated 12 graduates, all of whom earned ServSafe certification. Participant Jahmel Harris was also hired by Alvin & Friends and enrolled

in Oaktree's Culinary School. The Firefighter and Police Career Pathways each celebrated 11 graduates. All expressed interest in applying to the New Rochelle Fire and Police Departments when applications are expected to open in 2027, with continued guidance from department leadership.

The Legal Careers Pathway celebrated 18 graduates, including nine who secured internships with Bronx Supreme Court staff. The EMS/EMT Career Pathway celebrated 14 graduates, all

earning AED/Stop the Bleed and CPR certifications, with Nasiangelly Sanchez, Nero Camerana and Nyomi Williams accepted into the Empress EMS Fall Academy.

Through partnerships with local employers, first responders and the court system, these programs are helping Club members turn career exploration into real opportunities for employment, internships, continued education and future careers.

Summer Camp Ends on a High Note

Boys & Girls Club of New Rochelle wrapped up another memorable summer with a carnival celebrating the final day of camp.

Campers enjoyed rainbow and mango/cherry ices from Flavorz for Your Neighbors, freshly popped popcorn and a full afternoon of activities. A basketball challenge, double slide, bouncy house, face

painting and water activities gave everyone plenty of ways to join the fun.

The celebration was a fitting end to a summer filled with new experiences, friendships and lasting memories at the Club. Thank you to all of our campers and dedicated staff who helped make this summer one to remember!

AutoNation Donates 420+ School Supplies to Club Youth

AutoNation Associates from the company's Auto Tech Labs team in White Plains helped Boys & Girls Club of New Rochelle youth prepare for the new school year with a generous donation of more than 420 school supplies.

Throughout the summer, AutoNation Associates collected and sorted pens, pencils, crayons, notebooks, folders, erasers, backpacks and other classroom essentials for local students. The donation was part of AutoNation's nationwide back-to-school initiative to help ensure young people have the tools they need to feel confident and prepared in the classroom.

"We are grateful to AutoNation and its Associates for their generous support of the young people we serve," said Becky Mazzanobile, CEO of Boys & Girls Club of New Rochelle. "These school supplies will help ensure our students have the tools they need to begin the school year feeling prepared and ready to learn."

The initiative reflects the important role community partners play in helping the Club support young people both inside and outside the classroom.
